ATTENTION FOR IMMEDIATE RELEASE

Work on the Cress Brook Drainage Project will continue on No. Eastern Ave.. starting on Monday October 29, 2018 construction will be occurring in the south bound travel lanes between the President Ave Rotary and New Boston Road. This section of road will be closed when the construction requires. Local residents will have access to their properties. This work is expected to take 3 weeks.

The intersection of New Boston Road and No. Eastern Ave south bound lanes will be closed November 1, 2018 to November 2, 2018. Detour will be in place.

Due to weather and the nature of the underground construction these dates may be adjusted. We will make every effort to make all residents aware by means of Message board signs leading into all of these areas.

Please follow detour routes during these closures.

We appreciate your cooperation and apologize for any inconvenience.
