

TO: VARIOUS LEAGUES
FROM: BOARD OF PARK COMMISSIONERS
RE: 2019 FIELD PERMITS
DATE: FEBRUARY 6, 2019

Dear Sir/Madam:

Please be advised that the Board of Park Commissioners is now accepting application letters for the use of playing field permits for the upcoming season. **In order for your request to receive consideration from the Board, it is mandatory that each league submit a request for field use, league rosters & a league schedule for the 2019 playing season.** If all of this information is not submitted in behalf of your league, the Board will assume you are no longer interested in securing the use of a playing field. We realize rosters/schedules may have to be submitted after league sign-ups/registration, but this information should be collected and available for review. Please send your field request letter/information to:

Park Department Office
450 Middle Street,
Fall River, MA 02724

Deadline for submitting requests is the close of business on Friday, March 1, 2019.

BEST WISHES FOR A SUCCESSFUL 2019 SEASON!!
