COVID-19 Update
(Fall River, MA- April 30, 2020)- The City of Fall River has confirmed 509 positive cases of COVID-19. 205 individual positive cases have cleared isolation. The Fall River Health Department is in contact with the individuals who have tested positive as well as their contacts.

We continue to encourage residents to practice social distancing. This means keeping a distance of 6ft between individuals. Continue to wash your hands on a regular basis, clean and disinfect frequently touched surfaces, and stay home as much as possible, especially when you are sick, and wear a face covering when out in public. These measures will help to limit the spread of COVID-19.

Information regarding the City of Fall River’s response to COVID-19 is updated daily and can be found on the City’s website at https://www.fallriverma.org/department/corona-virus-information/. Information can also be found on the City’s Facebook page.
