

PAUL COOGAN
Mayor

City of Fall River Massachusetts

TESS CURRAN MPH
Director of Health & Human Services

COVID-19 Update

10 new cases

(Fall River, MA- September 17, 2020)- As of today, 2,040 cases of COVID-19 have been identified in Fall River. We have had one additional fatality reported, bringing us to 132 deaths due to Covid-19. The Fall River Health Department is in contact with the individuals who have tested positive as well as their contacts. We continue to encourage residents to practice social distancing. This means keeping a distance of 6ft between individuals. Continue to wash your hands on a regular basis, clean and disinfect frequently touched surfaces, and stay home as much as possible, especially when you are sick, and wear a face covering when out in public. These measures will help to limit the spread of COVID-19.

COVID-19 Information

Information regarding the City of Fall River's response to COVID-19 is updated daily and can be found on the City's website at <https://www.fallriverma.org/departments/corona-virusinformation/>. Information can also be found on the City's Facebook page. For daily and cumulative data on Massachusetts COVID-19 cases and testing, and weekly data on confirmed cases by city/town and residents subject to COVID-19 quarantine, please visit <https://www.mass.gov/info-details/covid-19-response-reporting>

Face Coverings in Public Places

Governor Charlie Baker signed an executive order on May 1, 2020 requiring face coverings in public places where social distancing is not possible. This order is effective May 6, 2020 and will remain in effect until rescinded or until the emergency is terminated.

Government Center Reopened to the Public - June 8, 2020

- BY APPOINTMENT ONLY
- Appointments from 10:00am to 4:00pm, Monday - Thursday
