Banner Display to End May 2021

(Fall River, MA- May 29, 2020)- CGI Communications, Inc. has been contacting local businesses to purchase banners to be displayed around the City of Fall River. This company is located in New York and an agreement was made with the previous administration.

We want to let all of our businesses and residents know that this contract will be ending on May 31, 2021. Going forward, the City of Fall River is planning a similar program that will benefit our community.
