Banner Display Contract Ending May 2021

(Fall River, MA- June 26, 2020)- CGI Communications, Inc. continues to solicit local businesses to purchase banners to be displayed around the City of Fall River. The City of Fall River does not receive any funding from this program. We want to remind our local businesses and residents that this contract will be ending on May 31, 2021.

This company is located in New York and an agreement was made with the previous administration. Moving forward, the City of Fall River is planning a similar program that will benefit our community.
