“Santa’s Jolly Ride” Motorcade Rescheduled for Next Saturday, December 12th

(Fall River, MA- December 3rd, 2020)- Due to inclement weather forecasted for Saturday, December 5th, “Santa’s Jolly Ride”, the 14 mile motorcade through Fall River has been rescheduled for the following Saturday, December 12th. In case of poor weather conditions on December 12th, the motorcade will be run on Sunday, December 13th. Residents should stay tuned to the City of Fall River website and Facebook page for updates. The time (3pm-4:30pm) and route remain the same as previously announced.

The City of Fall River has partnered with Greater Fall River Re-Creation to put together “Santa’s Jolly Ride”, a 14 mile motorcade through the City. The motorcade will depart from Government Center at 3pm on Saturday, December 5th before covering the South and North ends of Fall River. Included in this motorcade will be favorites from past Children’s Parades, including the Worcester Sound and Lights Machine, as well as public safety vehicles, trolleys and vehicles carrying some beloved children’s characters. The finale of the motorcade will be Santa and his elves on their sleigh. Details about the route can be found at www.fallriverma.org/event/santas-jolly-ride
