Government Center Cooling Center

(FALL RIVER, MA- August 24th, 2021) - Mayor Paul E. Coogan has opened an emergency cooling center in the cafeteria of Government Center from 9am to 4:30pm on Wednesday, August 25th and Thursday, August 26th due to extreme heat. Please use the Third St entrance.

Due to high temperatures in Fall River, we want to remind citizens to check in on family, friends and neighbors. Drink plenty of water, stay inside in a cool area and do not exert yourself if you have health conditions. Stay cool and safe. Please call the Mayor's office at 508-324-2600 with any questions.
