## **Fall River Fire Department to Resume COVID-19 Testing**

**(FALL RIVER, MA- January 10th, 2022)**- Due to the increased demand for COVID-19 testing in the City of Fall River, Mayor Paul Coogan and the Fall River Fire Department have announced that free COVID-19 testing will resume at the Fire Department Headquarters, located at 140 Commerce Drive in Fall River. Testing will take place from 8:30am-1:30pm every Tuesday and Thursday, beginning tomorrow, January 11<sup>th</sup>, 2022.

Testing will be available to City residents only. Proof of residency, such as ID or a piece of mail, will be required. Tests will be available on a first come, first serve basis with 300 Rapid RNA (PCR) tests being offered per day. Results can be expected within 24-48 hours.

A hotline has been established at the Fire Department for all questions regarding COVID-19 testing: 774-644-0703.
