**City of Fall River**  
**Massachusetts**  
Department of Community Utilities  
WATER • SEWER

**PAUL J. FERLAND**  
Administrator

**ATTENTION**  
**FOR IMMEDIATE RELEASE**

A section of water main on Columbia Street will be shut down.

The affected area is expected to be from Grant Street to Fountain Street.

Other locations in the area may be affected depending on location of isolation valves.

The closure will begin 9/28/2022 starting at 9:00PM and will be in place until the work is completed. The work is not expected to be more than 8 hours for the anticipated work.

Door hanger notification tags are being placed on the door of the customers that we expect will be affected.

We would advise that you draw water for use prior to this shutdown.

We appreciate your cooperation and apologize for any inconvenience.
