#### **About the Project**

Davol Street and Route 79 run along the Taunton Riverfront in Fall River. Currently, access between the neighborhoods and the waterfront is limited and the corridor lacks bicycle accommodations. MassDOT is redesigning the mile long corridor to improve mobility, connectivity, and safety along and across Route 79 and Davol Street. The corridor will be transformed into a multi-modal urban boulevard, connecting the

neighborhoods to the Taunton River while promoting economic growth by creating new development parcels to contribute to economic development.
